Great opportunity to own an established alteration business along with its commercial unit in the rapidly growing community of Nolan Hill. This location offers strong exposure, steady traffic, and easy access from major surrounding roadways. The area is expanding population and solid demographics support consistent demand for tailoring and alteration services. Situated in a busy commercial plaza with complementary nearby businesses, the unit benefits from regular walk-in customers and repeat clientele. Buyer may change the use of the unit with condo board approval. This is a rare chance to secure both a profitable service business and valuable commercial real estate in Northwest Calgary.
